At the end of a funeral, spending time with family and friends can be very healing. While the funeral service itself often provides a sense of closure, spending some time in the company of friends and family can be the perfect occasion for sharing stories, memories and feelings about your loved one. It also provides an ideal opportunity to renew friendships and relationships.

An after funeral reception at Best Western Livermead Cliff Hotel with its magnificent views over Torbay provides the perfect setting for this kind of healing and reconnection to take place.

Let us make this as easy as possible for your family, our Management and staff are ready to offer your family and friends the warmest reception possible in your time of need.
