FOOD ALLERGIES AND INTOLLERENCES

The Livermead Cliff Hotel, trading as Livermead Cliff Ltd. makes every attempt to identify ingredients that may cause an allergic reaction to those with food allergies. However, there is always a risk of contamination as in our food preparation areas we use products such as milk, eggs, gluten, fish, crustaceans, molluscs, peanuts, other nuts, sulphites, sulphur dioxide, sesame seeds, celery, mustard, lupin and soya. Although we have strict cross contamination practices and policies in place, we cannot guarantee a total absence of these products in any of our dishes. Customers with food allergies must be aware of this risk. Livermead Cliff Ltd will not assume any liability for an adverse reaction to the food or drink that it has provided.

Please, Before you order Food & Drink please ask a member of staff if you require any information about the ingredients of our dishes
